Minutes from last meeting:

Laura moved the minutes from the last meetings be accepted as written, Amy seconded the motion, motion carried unopposed.

Treasurer's Report

Sharon reported the Savings account has \$603.47.

The checking account was reconciled on 11/24/06 with a balance of \$2423.95.

There is a check for \$120 that still needs to be deposited.

Sharon reported all bills including refunds have been paid.

Vernette reported she hasn't received a bill from the Hockey Association so she will follow up on this.

Old Business

Steve Beck:

Vernette reported Steve Beck has been booked to be in Sidney/Glendive the week of March 19th-23rd. We can pick days within that week in conjunction with Glendive.

Discussion occurred around the number of sessions we need and what the cost should be on those. Each session will cost \$2000 for part I and part II. In the end it was decided a morning session of part I will be offered with the option of an afternoon session to be added if needed. A morning and an afternoon session will be held for part II. A registration fee of \$50 was suggested for both sessions since we will have extra expense this time. Wording needs to be added to the registration regarding the refund policy.

Location Suggestions for groups of 200:

St Matthews

Assembly of God

Elks - it was decided to go with a different location due to expense.

Vernette will look into each location cost, set up responsibilities, and insurance responsibilities.

New Business

Future Trainings:

Vernette received a request today for trainings along technical lines such as advertising development. Other training discussed: Alyce Cornyn-Selby. Steve, Vernette and Lisa reported on their experience listening to Alyce. Laura reported the Chamber investigated having Alyce present at their annual meeting. Her cost is \$4000 per session. Steve pointed out that profit could be used to bring in a speaker such as Alyce.

The Newsletter has gone out, mostly by email. An ad was placed in the newsletter regarding Steve Beck coming in March.

Next Meeting
